TRAINING AND RESPONSIBILITIES OF THE PIANIST

During their residencies, pianists at L'Atelier lyrique gain crucial professional experience while mastering their skills as rehearsal pianists and coaches. Pianists must prepare opera scores for rehearsals at the Montreal Opera and Atelier Lyrique productions, while participating in public performances, lessons, classes, sessions with industry professionals, and other events. Through professional and artistic development opportunities, including classes on diction, repertoire, style, working with conductors, new creation, entrepreneurship/media training, and performance psychology, pianists will acquire all the tools and experience necessary to pursue a successful and rewarding career as a musical collaborator in the field of opera.
